ESPGHAN 2025

14 - 17 May 2025, Helsinki, Finland

x

Innovative treatments and research discoveries are constantly emerging in our field, and the ESPGHAN Meeting is at the forefront of education provision and knowledge exchange, constantly striving to discover, discuss and share the latest novelties and advancements, and use them to enhance the standards of care.

A big “Thank you” to over 5,600 participants from 104 countries, who joined us in Milan and online on 15-18 May for an unforgettable educational experience, filled with shared knowledge, cutting-edge research, innovative technology and long-lasting, global connections!

Enjoy the biggest gathering of the international paediatric gastroenterology, hepatology and nutrition community in Europe, filled with the latest PGHAN science, clinical advances, medical discoveries, practical workshops, stimulating discussions and many opportunities to get inspired, network, collaborate and connect.

A wide range of sessions and symposia, given by world-renowned experts in paediatric gastroenterology, hepatology, and nutrition, plus the latest research findings.

The Young Investigator Awards (YIA) intends to support and encourage Young Investigators.

Endoscopy Learning Zone (ELZ) and Motility Learning Zone (MLZ) allow hands-on training in various diagnostic and therapeutic techniques.

The largest meeting of its kind, attracting international healthcare professionals, researchers, patients & industry reps.
